

Next Expo, Next Subcommittee Meeting, and Subcommittee Action Items

Coal Subcommittee Meeting

13 October 2011

Krakow, Poland

Next Expo

- Anticipated in early 2013.
- Canada has offered to host the GMI Expo in Vancouver.
- Same basic framework as the previous Expos (e.g., concurrent sector-specific sessions, site visits, exhibition hall, project opportunities).
- Role of Subcommittee in supporting planning of coal technical sessions
 - Task force?

Next Subcommittee Meeting

- To be held sometime in early to mid-2012.
- In-person or via webinar?
- Location/date suggestions?

Action Items

- The U.S. EPA will incorporate comments into draft flaring white paper and draft technology database, finalize, and post to web.
- Subcommittee delegates will continue working with their country delegates to contribute the coal portion of the country action plan.
- Next Subcommittee meeting?
- Subcommittee delegates will begin planning coal technical sessions for 2013 Expo.
