

Steering Committee Goals

- Encourage continued communications, reporting and tracking of success.
- Approve location/timing for GMI Expo.
- Discuss options for best approach for municipal wastewater sector.
- Identify timing/format for action plans.
- Explore ideas for ways to strengthen GMI, including potential organizational changes, opportunities for financing mechanisms, and support for an emerging international initiative focused on short-lived climate forcers.
- Develop charges to the ASG, Partners and / Subcommittees over the next year.
