Exhibit stand items listed above are subject to change at the discretion of the Organizers without notice. If exhibitors do not want any item in the standard shell package, the cost of the package will not change and there will be no compensation by other equipment.

Additional furniture and electrical items can be rented from Beijing Huaiyabo Exhibition Co., Ltd.. Please place your orders by completing the respective forms and returning these by the stated deadlines.
TECHNICAL INFORMATION

No drill, screw, paint, nail or fixture of any kind are allowed to be affixed onto the partitions, floor or ceiling. Exhibitors are liable for any damages to their booths, fixtures & fittings and the Exhibition venue, whether caused by themselves or by any person or persons employed or engaged on their behalf.

The cost of repair of any damages will be assessed by the Official Stand Contractor and charged accordingly to the exhibitor. The Organizers, together with venue owners, will inspect the hall before and after the event.

**Hall Specifications**

**Floor Loading Capacity and Height Limitation**

C/H: 1500 kg/Sqm  
B/R: 650 kg/Sqm

Special arrangements including the provision of a steel base plate may be required for any exhibit exceeding these limits. The Organizers must be informed of any such exhibit. The Organizers’ delivery schedule for heavy and large exhibits must be strictly adhered to.

The max permitted stand height of C/H is 5m.  
The max permitted stand height of B/R is 3m.

**Power Supply and Lighting**

The Organizers will provide general lighting in the exhibition hall during show time only. The standard electrical current supply available for use is 220V, 2500W. Exhibitors requiring different voltages/frequency or special connections to equipment must arrange directly with the appointed Contractor.

All electrical installation and equipment must comply with government regulations.

For safety reasons, all electrical installation work at the exhibition must be carried out solely by the Organizers’ appointed Contractor. The Organizers reserves the right to cut off power supply in case of improper connections.

Multi Plugs are not allowed. All sockets are for machine use only and not for lighting. For safety reasons, please use one socket for one machine only.

No temporary gas, petrol or highly inflammable substances are allowed in the halls. All pressure vessels or equipment must conform to safety standards and regulations. Approval for its use is required.

**Official Freight Forwarder**

The Organizers have appointed Beijing Rogers Exhibition Services Co., Ltd as the Official Freight Forwarders, site handling and customs clearance agent for the Methane to Markets Partnership Expo.  
Please refer to Form 10 for detailed guidelines on freight forwarding services.  
Please address all correspondence concerning exhibition freight forwarding matters directly to Beijing Rogers Exhibition Services Co., Ltd
**Storage**

Direct arrangements should be made with the appointed Official Freight Forwarder. Otherwise, exhibitors must arrange for their boxes and cases to be transported back to their own premises. Exhibitors are not allowed to store such items within the exhibition hall. The Organizers reserves the right to remove/dispose of any boxes, cases and/or packing materials left in the exhibition halls. Any cost incurred will be borne by the exhibitor.

**Film, Audiovisual and Product Demonstration**

Audiovisual equipment may be provided by the exhibitor or hired from the official AV and computer supplier using Form 4. When in operation, audiovisual equipment must not disturb visitors or other exhibitors with excessive sound / noise. The Organizers reserve the right to discontinue any audiovisual presentation which in their opinion is detrimental to the event.

Where a high level of noise or other objectionable factors are involved, demonstrations may only take place at timing stipulated by the Organizers. The Organizers reserve the right to disallow any demonstrations at any time.

No photography or video recording is allowed in the exhibition hall unless approval is obtained from the Organizers.

**General Cleaning**

The Organizers will provide general cleaning of the exhibition premises and stands prior to the opening of the exhibition and daily thereafter. This only includes cleaning of carpet, flooring and rubbish disposal before the exhibition opens in the morning and after the exhibition closes in the evening. Cleaning does not include exhibits and displays. It is the responsibility of the exhibitors to maintain the cleanliness of their booths at all times.

However, the exhibitor can engage the services of the official cleaning contractor using Form 9 should they need additional cleaning services.

**Removal of Waste**

During the set-up and tear-down period, passageways in the exhibition hall must not be obstructed with packing materials, construction materials or debris. Contractors building Special Design booths or booth interiors are responsible for removing their own debris from the site at the end of each day. At the end of the exhibition, contractor must remove from the site all the materials from their client’s booth. Should they not do so, the deposit paid will be used to pay for removal by the official cleaning contractor. Exhibitors are requested to place their debris in the aisle, from where it will be removed by the cleaners at the end of each show day. The Organizers reserve the right to charge exhibitors for the cost of removal of excessive packing materials and discarded crates or cartons.
**Industrial Gas Demonstration and Fire Precaution**

Exhibitors, who require specific fire precaution because of the nature of their exhibits, must make arrangements at their own cost for provision of such equipment / service.

Exhibitors must not bring in or use at the exhibition site any dangerous or hazardous goods and equipment such as poisonous gas, fuel, kerosene, noxious materials, inflammables, and equipment using such inflammable materials as gas stoves and electric stoves without prior written consent of the Organizers. Even when consent is given, adequate precautionary measures must be taken by exhibitors at all times. Exhibitors are also not allowed to carry out any fire hazardous operation / work.

All safety precautions must be taken by the contractor or the exhibitor to protect the public against any danger of fire outbreak. The Organizers may require on-site inspection to ensure maximum fire safety.

Smoking is not permitted in the exhibition hall and conference rooms at all times.

**Liabilities**

General insurance will be covered and handled by the Organizers. However, it is the responsibility of each exhibitor to arrange insurance coverage for their own exhibits during the exhibition.

All exhibitors must arrange at their own cost “all-risk” insurance coverage from the origin country up to their exhibition booth including exhibition period and return to domicile. Exhibitors must ensure that they are fully covered by insurance and take out public liability and comprehensive protection.

Exhibitors are also responsible for making good any loss or damage to any item which they have rented or hired from the official contractors/ suppliers. Though the Organizers maintain security surveillance at all times, exhibitors are reminded that goods / exhibits will still, nevertheless, be at risk, especially during the final day of the show. Please ensure your stand, especially personal and valuable property, portable and rented items, are not left unattended at any time before, during and after the show. Exhibitors are reminded that small, portable and valuable items are most at risk after the exhibition closed each day. Therefore, exhibitors are advised to keep these safely stored each day before leaving the exhibition area.

If your exhibits are very valuable and you wish to hire security personnel to attend to your stand exclusively for off show hours, please contact the Organizers. Please note that you are not allowed to hire staff or personnel from other security agency.
RULES AND REGULATIONS

General Security

Organizers will provide general security round the clock. Exhibitors and their staff will not be allowed to enter the exhibition area after official hours. All personnel in the exhibition area must wear identification badges. Exhibitor badges and temporary passes are available from the Registration Counter.

For security and safety reasons, movement of exhibits in and out of the exhibition area during show opening hours is not permitted.

Booth Operation

No business activity shall be conducted by the exhibitor and his co-participant outside their booth boundaries such as distribution of promotional material outside their booths.

Activities which may inconvenience or disturb the conduct of the business session, will be subject to approval by the Organizers, i.e. promotional gimmicks, raffles, picture taking, musical entertainment, and use of animation and sound equipment.

Without special permission from the Organizers, delivery of exhibits cannot be taken into the booth once the show has officially opened, nor removed from the booth before closure of the event. If exhibitors wish to remove any display item from the show area, a written request must be submitted to the Organizers for approval.

Exhibitors must give proper consideration to the conditions under which their equipment will be demonstrated. Precautions must be taken for the public’s safety.

Exhibitors are strongly encouraged to remove valuable and portable exhibits from the exhibition hall as soon as possible after 6pm on the final day of the show.

Fire and Safety regulations require that no goods or packing materials may be stored in access areas behind or between booths. Exhibitors should design proper storage areas with adequate access within their own booth or approach the Official Freight Forwarder for storage.

The Exhibitor and his staff shall be responsible for any damages to the structure, floor, walls, pillars and any part of the Exhibition Hall, the Property of the Organizers, and other Exhibitors due to the transport, removal of exhibits, refuse and / or decoration works. Aisle ways indicated on the floor plan must be kept clear of all exhibition goods or decoration materials in order to facilitate flow of traffic.

Exhibitors and Contractors must clear items not for display purpose (e.g. containers, packing items) before the show period according to the schedule. The Exhibitors will have to pay the Organizers for the cost of removing such articles from their booth if they fail to do so.

Cleaning of paint containers or any other dirty items in the washroom is prohibited.
## Use of Dangerous Materials

**Hazardous Materials**
- No naked flame or temporary gas lamps
- No explosive, petrol and highly flammable, toxic or corrosive substances

**Pressure Tanks**
- The exhibitor will be responsible and liable for the proper transportation and storage of all pressure tanks containing helium, compressed air, argon, carbon dioxide and any other pressure medium
- Pressure tanks improperly secured will be immediately removed
- All pressure vessels and equipment under pressure brought into the exhibition hall must conform to all relevant safety standard and regulations

**Water and Drains**
- Polluting substances such as chemicals, lubricants, acids and petroleum products cannot be discarded through the standard drains
- Special drains can be arranged for the disposal of polluting waste upon request

## Failure to Exhibit

Any organization which has signed and submitted a valid contract for space reservation, and fails to exhibit or turn up for the exhibition, and has not been released from the contract by the Organizers, shall be held liable for the full cost as stated in the contract, plus any additional cost incurred by the Organizers.

## Intellectual Property Rights

The organizers have the right to request exhibitors to remove exhibits which are alleged of violating intellectual property rights. Any possible legal consequence as a result will have to be borne by the exhibitors concerned.

## Unforeseen Occurrences

In the event of any unforeseen occurrences or not stated, the decision of the Organizers shall be final.

The exhibitors and visitors badges include access to all Methane to Markets Partnership Expo conference sessions, the exhibit hall, daily lunch and coffee breaks, and two receptions.

Exhibitors may check-in for the exhibition and conference at the Exhibitor Check-in Counter on 30 October 2007 (from 6am to 8am). Please bring proof of your participation such as e-ticket and a copy of the Stand Confirmation letter issued by the Organizer.

For security and safety reasons, the Organizer will not send out exhibitor badges in advance.

During the build-up and exhibition period, everyone is required to wear a relevant badge. No exhibitor or contractors are allowed to enter the exhibition hall without a badge. Please cooperate with the security guards at all times. Transferring, altering or selling official badges are strictly prohibited.

Please visit www.methanetomarkets.org/expo/index.htm if you would like to purchase more admission passes.

INVITATION LETTER FOR VISA

To be returned by: 1 September 2007

Please complete and return to:
Methane to Markets Partnership Expo
Fax: +1-781-674-2906
Email: asg@methanetomarkets.org

All non-Chinese nationals traveling to the Methane to Markets Partnership Expo will require a tourist or business visa to enter China. To apply for either Visa contact your travel agent or the Chinese Embassy in your country to complete the appropriate applications.

A Tourist Visa is the simplest way to obtain a visa and it is sufficient for most meeting attendees. Tourist Visas DO NOT require an Official Invitation Letter.

If you require a Business Visa you must fill out the Foreign Business Visa Form on the following page. This document will be used to generate an Official Invitation Letter that you will need to include as part of the Business Visa Application form.

The Foreign Business Visa Form is available online at:
http://www.methanetomarkets.org/expo/docs/visa_app_form.doc
